

## Festive Information and Prices 2009

Our now familiar individually priced menu will be on offer throughout most of December. It will of course take on a festive flavour to include all the seasonal favourites, allowing you to choose as many courses as you would prefer. However, set price lunch and dinner menus, will also be available to those parties wishing to enjoy their meal safe in the knowledge that a pre-determined price has been arranged. In other words nobody in the office or staffroom is going to blow the budget. Whatever your preference we have a festive menu to suit your requirements.

### Party Night or Not?

Our Location answers the annual dilemma that any organiser of a Christmas Night Out always faces. How do you please everybody in the party?

At the Carrick Lodge why not enjoy a wonderful Christmas Dinner in lovely surroundings (Private Rooms available). Then, as the evening develops, the option of "Hitting the Town" which is only minutes away, is still available. Whatever your preference, why not "Christmas at the Carrick".
